

SYNERGY SERIES STANDARD LPG™ PACKAGE

The industry's most versatile Portable Polyurea Coating and Polyurethane Foam Proportioner for both Spray & Pour Applications

\$ 8,460

STANDARD LPG™ PACKAGE INCLUDES:

LPG™ Proportioner

COVERED BY THE OPTIONAL LIMITED LIFETIME WARRANTY

25' x 1/2" Heated Spray/Pour A & B Hoses Assembly

CONTROL WIRE, TEMPERATURE SENSOR WIRE, AIR HOSE, INSULATION & SCUFF JACKET

Material Transfer Hose Assemblies with Strainers

LOCK N LOAD™ Spray/Pour Gun with Nucleating Kit

Tool Kit

ALL PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE

On board air compressor provides positive material pressure to pump inlets.

Digital flow meter displays gallons and tenths.

Silica Air-Dryer reusable.

The LPG™ Proportioner consumes less electricity than a hair dryer. Any single phase (15 amp) receptacle will power the LPG™.

Modular components for minimal field maintenance and repair. Low cost pumps that can be changed in ten minutes versus rebuild or repair.

LOCK N LOAD™ GUN PACKAGE

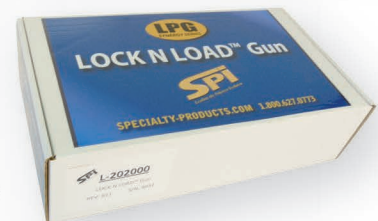

Spare Air Nucleation Lines

Foam & Polyurea Static Mixers

Gun Clean Out Tool

Foam & Polyurea Safety Shrouds

Lock N Load™ Gun

PART/DESCRIPTION

PART(S) ONLY

LPG™ Proportioner (Complete)	\$ 5,685.00
Electric Motor/Gear Box Assembly	\$ 639.00
'A' Side Proportioner Pump	\$ 590.00
'B' Side Proportioner Pump	\$ 540.00
25' x ½" Heated Hose Assembly	\$ 940.00
50' x ½" Heated Hose Assembly	\$ 1,650.00
Hose Heat Control Package	\$ 285.00
LOCK N LOAD™ Spray/Pour Gun Package with Nucleating Kit:	\$ 1,290.00
Joint/Crack Fill (additional kit)	\$ 240.00
Cross-Fire Spray (additional kit – special order)	\$ 240.00
Double-up Kit	\$ 540.00
'A' or 'B' Transfer Hose Assembly w/Riser Tubes & Strainer	\$ 228.00 EACH
'A' or 'B' Transfer Hose	\$ 146.85
Tool Kit	\$ 134.00
Transfer Air Compressor w/Pressure Switch	\$ 322.00
Output Meter (Gallon/Tenth Gallon Counter)	\$ 106.00
Pressure Shut-off Switch	\$ 76.00
Material Pressure Gauge	\$ 18.00
Ultra-Sonic Cleaner for Cross-Fire Tips w/1 Quart NMP	\$ 280.00
Grease Gun	\$ 27.00
7 kw Honeywell Generator	\$ 1,050.00
Pressure Mixer for 15 Gallon Pigmented 'B' Side	\$ 571.00
5 Gallon Heat Blanket (110°F)*	\$ 395.00
15 Gallon Heat Blanket (110°F)*	\$ 495.00
55 Gallon Heat Blanket (110°F)*	\$ 595.00

Items in **RED** are covered by the optional limited lifetime warranty.

*NOTE: Most Synergy Series polymers provided by SPI to be proportioned through the LPG require a minimum processing temperature of 75°F with an optimal temperature of 100° – 110°F. Refer to the Synergy Series product technical data sheet.

Contact SPI regarding personal protective equipment (PPE).
